

ASTRONAUT APE

WHITEPAPER

DeFi Ecosystem LaunchPad Staking

Crypto Organization
Focused on Mass
Blockchain Solutions

Introduction

ASTRONAUT APE (AstroApe) is a crypto engineering organisation focused on blockchain technology products and audits solutions, While our \$AstroApe token benefit investors through staking in \$AstroApe rewards and our smart contract also has a buyback function which helps in the price growth of our token and makes it more scarce.

\$AstroApe Token will be used as peer-to-peer (P2P) service for payment systems using our dApp wallet in the local currency with zero transaction fees, faster & secure transactions, whereby two individuals interact directly with each other, without intermediation by a third party. Instead, the buyer and the seller transact directly with each other via the P2P service.

TOKENOMICS

Total 12% Transaction Fee (5% Liquidity, 5% Marketing, 2% Reflection Distribution to Holders)

WHAT IS ASTRONAUT APE (AstroApe) ?

ASTRONAUT APE (AstroApe) is a protocol aiming to provide users with the capabilities to launch their own token and create their own initial token sale. No code is required, simply navigate through our terminal and design your own token and token launch with just a few clicks. ASTRONAUT APE (AstroApe) offers multiple other features to help you with the overall token launch, such as: helping with the listing of your token on PancakeSwap, with locking your LP and with adding a vesting period for your tokens.

Why ASTRONAUT APE (AstroApe) ?

On top of being a premier token sale creator, ASTRONAUT APE (AstroApe) aims to incentivize users to continue using our platform. PinkSale has a farming protocol to further motivate project owners to launch with ASTRONAUT APE (AstroApe) over competitors. Also, the top projects created on ASTRONAUT APE (AstroApe) will be rewarded with ASTRONAUT APE (AstroApe) tokens. And finally, our goal is to provide a safe environment for all of our investors that use our AstroApe ecosystem. With this in mind, an anti-rug system is in place to stop any kind of potentially dangerous projects from using our platform. At the end of the day, what matters most to us is that you, as investors, are protected and that you have the confidence that ASTRONAUT APE (AstroApe) is a safe place for you to invest in crypto projects.

We've Built A Token That Rewards In \$AstroApe To Our Investors

Static Rewards

Get rewarded 2% of every transaction in **\$AstroApe**

Liquidity Pool system

The Liquidity Pool is one of the most important components of a token's sustainability. Without a good Liquidity Pool, every sell that happens

is going to damage a token's chart and severely reduce the price of the token. By ensuring that 5% of the tax goes to our LP,
